Caracas 1080

VENEZUELA

Re: Request for distribution of the first announcements

Dear Dr. Perez,

We are writing to you on behalf of the local organizing committee of **the 22nd World Congress of Dermatology (WCD)** which will be held on **May 24th-29th, 2011** in Seoul, Korea.

The World Congress of Dermatology is a global event held every 4 years, hosted by the International League of Dermatological Societies (ILDS).

Your society is a valuable member of the ILDS; therefore, to make this congress successful, we believe that your cooperation will be absolutely necessary.

We recently produced the first announcement of **the 22nd WCD** and now wish to distribute them to the individual members of your society. It would be greatly appreciated if you could include these announcements when you are sending your next periodic information to your members. If this is impossible or against your policies, could you instead send us the database of your members' addresses so that we could deliver the announcements directly to them from here in Seoul? Please also inform us of the total number of your members, so that we know how many announcements to send you.

If you accept this proposal, we will deliver the first announcements to your office address listed on the ILDS home page (www.ilds.org). If your address has changed, please inform us of the new one.

We are looking forward to your positive consideration.

Yours Sincerely,

Hee Chul Eun
President

Soo-Chan Kim
Secretary General
